It being measure. It being the determination of the majority to hasten the passage of the tariff bill, any attempt to fillbuster will be checked by special rule, if necessary.

Majority Leader Underwood is inclined to suppress efforts of anxious Democrats to bring su a special rule limiting amendments. He has announced that he does not wish to resort to any such drastic measure, but has further declared that the country is entitled to the new tariff law as soon as it possibly can be enacted, and that undue delay will not be tolerated. This being the attitude of the majority leader, the bill is expected to pass the House before May 10.

Democratic opposition to the bill on account of free raw wool and free sugar in three years is not now expected to develop much strength in the House, though a few Democrats will not vote for the bill, having been re-

JUNIOR LEAGUE DEBATE.

Youthful Orntors of Trinity School Give Interesting Program. Youthful Orntors of Trinity School Give Interesting Program.

Church Roads, Va., April 27.—The regular monthly meeting of the Junior League was held yesterday afternoon, and was much enjoyed both by pupils and visitors.

The program opened with the school song, followed by Bible reading and prayer. After the "obligation" was repeated, quotations from Longfellow were given by all the members. Then a recitation, "People Will Talk," by Wilson Ford. The last number on the program was a debate, "Resolved, That the social card game does no harm." The affirmative side of the question was ably defended by Fitz Cole and Jeff Spain, and the negative by Lurleno Clarke and Etta Hardy. Unanimous decision was given in favor of the negative. The judges were E. C. Spain, F. D. Robertson and T. C. Hardy.
